

□ □ □ □ □ □ □ □

A close-up photograph of a white plastic component, likely a part of a vehicle's interior or exterior trim. A black rubber seal is visible along the top edge. A black metal bracket is attached to the left side. The plastic has a textured, ribbed appearance.

A close-up photograph of a bicycle seatpost clamp. Three numbered callouts are present: ① points to the lower part of the clamp, ③ points to the upper part of the clamp, and ④ points to the seatpost itself.
